### OUR MISSION

Provide information to promote growth, stability and professionalism within the airport ground transportation industry.

### Customized Memberships

**AGTA OPERATOR MEMBERSHIP** is made up of firms which supply per capita for-hire transportation at airports. This includes those who utilize urban transit buses, shuttle buses, limousines and taxicabs.

**AIRPORT MEMBERSHIP** includes those airport officials who act as landside managers and work with the various ground operators at their airports. It also includes local, state and federal officials who administer airport ground transportation regulations.

**ASSOCIATE MEMBERSHIP** includes those firms engaged in the business of courtesy airport transportation, parking and those whose relationship is deemed relevant to the AGTA Mission.

**ALLIED MEMBERSHIP** consists of vehicle manufacturers and distributors, insurance suppliers, technology and industry consultants.

### Goals and Objectives

**CONTINUE** to lead our industry through growth and diversity of our membership.

**ASSURE** that dedicated efforts are made to advance cooperation between operators and airport authorities.

**IMPROVE** and enhance the professional image of the airport ground transportation industry.

**EDUCATE** our members in the economic, customer service and service delivery aspects of ground transportation.

**KEEP** our members apprised of legislative affairs and advocate for issues critical to our success.
